LADIES!

(sung to tune of Bicycle Built for Two)

Everyone: Ladies, ladies! give her a break, please do-
~~We're~~ She's half crazy, all for pleasing you.

Susan: I can't seem to make the right choice,
Whatever I do, it's the wrong choice,
And, I'll be darned, now be forewarned,
I won't run for office again!

Everyone: Ladies, ladies, give her a break, please do.
~~We're~~ She's half crazy, all from pleasing you.

Susan: I'll soon leave this job to someone
Who'll need thick skin and a deaf ear
For I'll be gone, at end of year,
And never hold office again!

Everyone: Ladies, ladies, give her a break please do!
We've worked so hard, all for pleasing you.
We really were a great team,
We hope we've earned your esteem.
And ~~I'll~~ she'll be gone, so say so long,
~~We'll~~ She'll never hold office again!

Dining Room Minimum

The last day for use of the dining room minimum for those whose last name begins with A–G is Sunday, November 26.

From the President

I understand that over the years there have been several instances of minor vandalism to member's carts. Lately, we have heard from one member that several times someone has done some very childish things, apparently to irritate this particular member. I would hope that this is not one of our members, but possibly some kids who are going through the cart sheds. We must remember that these sheds are unlocked very early and are not locked up until late at night. We can all help out by keeping an eye out for people who should not be in the sheds. Most members keep a lot of personal items in their carts, ranging from golf balls to very expensive jackets or rain gear, so let's try to keep those items safe.

While I'm on the subject of golf carts, I would like to remind everyone that we have a tremendous amount of cart use on our course. As Winter approaches and the rains start coming, we all need to keep the carts out of the soft spots and on the path, if possible. Your help in this will save John Whisler and his greens crew a lot of labor in maintaining the fairways.

I hope everyone has a very nice Thanksgiving, and a safe trip if you are going out of town.

Fred Hamel, President

Manager's Message

If you haven't yet returned your Roster Card, please do so as soon as possible. We would like to have the new Rosters completed and available soon after the first of the year.

Each year we ask the members to voluntarily contribute to the employees Christmas fund. In your statement you will find a gift card for you to fill out and return with your payment, if you wish. Remember, this is strictly voluntary. All funds are distributed to all employees in the Clubhouse, Pro Shop and Greens Crew. Thanks in advance for your generosity.

Many of you may have noticed the new face in our office. Jennifer Tarabochia will be helping with various office tasks (#14355) and answering the telephone. She is a welcome addition to our staff and will be happy to assist you.

John Mattingly

RESERVATION POLICY

The Club takes dinner reservations and numbers them as they arrive, for window tables or the table of your choice, if available. The dining room is getting much busier, so advance reservations do help ensure that we can accommodate your party. We don't wish to penalize late-callers and drop-ins, but we feel we must protect those members who make advance reservations.

LADIES' BRIDGE TOURNAMENT

Mark your calendars now, find a partner and plan on playing in the Bridge Tournament which will begin on Tuesday, January 2, 2001.

A sign-up sheet will be available in December.

LADIES' BRIDGE LUNCHEON

Thursday, November 16th

Join Hostesses Marillyn Maher and Barbara Hinton for coffe and rolls at 10:00 a.m. Please call the office at 861-2211 or 738-8358 for your reservation. Luncheon will be served at 12:30 followed by more bridge play.

PITCH

Friday, November 10th

Sign up begins at 5:00 p.m. with regular play beginning at 5:30 p.m. Invite another couple to join the fun and call the office with your reservation.

Find Your Account Number

Somewhere in this issue is a member's account number enclosed in parentheses (like this). If that member notifies the office prior to the 15th of the month, he or she wins Dinner For Two at our Wednesday Night Special. Always use your account number when signing your ticket!

LADIES' NEWS

Haven't we had a glorious Fall? And no more excuses for not playing golf, right? Since we have to have our news into the office by the 10th of the month now, I wonder who the lucky winners of the "Turkey Shoot" will be!

Please plan to attend the President's Fun Day on October 31st. We will be having some different and fun ways to play golf, a delightful lunch, decorations and entertainment. Make reservations for lunch.

November 14th we will have our Closing Breakfast not brunch! We will have a general meeting and I promise to make it brief so that, weather permitting, we can still play golf.

On Monday, November 27th we will decorate the Club for Christmas. We need lots of help. If you want to participate, please come about 10:00 a.m. Dorothy Niebuhr and Sue Altstadt have kindly volunteered to chair this event.

We still have lots of fun left before we get rained out. Some of us will continue to play in the rain I know, and I say to you, "what brave souls you are!"

Sue Bish

SUNDAY BRIDGE

November 5th &19th – 3:00 p.m.

Please call the office with your reservation if you are planning to attend bridge. Everyone is welcome to join us on Sunday afternoon for good company and bridge.

FROM THE PRO

With daylight savings time ending and Thanksgiving on the way, it's definitely turkey time! Come out to your golf shop and gobble up the savings on selected merchandise. Our "Turkey Sale" begins the first of the month and runs through Thanksgiving Day.

Please take a moment to locate any gift certificates you may have won during the OGA, OWGA, OSWGA, WOS, Oregon Jr/Sr or Oregon Senior event this past year. Most of these certificates have to be returned to the various organizations before the end of the year, so please allow us ample time to redeem those for you and receive your credit before the holidays are upon us.

Is it time to replace your "soft spikes" with the old-fashioned metal kind? As you know, we don't require the use of soft spikes here at our club at any time of the year. However, most of you have been using the soft spikes anyway. We are now reminding you to consider replacing at least one pair of your winter shoes with traditional spikes, although the newer soft spikes do claim to have increased traction over the metal spikes! Just a thought for you to consider.

The holiday season is rapidly approaching and it's time to begin thinking about your holiday shopping and wish lists. Your golf shop is gearing up for the holidays now and we look forward to assisting you this holiday season. As a reminder, personalized merchandise is always available for the holidays, but please drop by early to allow ample time for shipping and delivery. We provide custom gift wrapping, and shipping is also available if needed; don't hesitate to call on us.

Gentlemen, be sure to check the Breakfast Club play lists posted throughout the club; you don't want to miss out on the annual Breakfast Club dinner by a month or two of not competing. Also check the Closest-to-the-Pin list for all the winners on hole #10. We'll have a final Shoot-Out immediately after December's Breakfast Club on Sunday the 3rd. This month's event is "Beat the Breakfast Club Team" and is slated for Sunday, November 12th – 8:00 shotgun start. Don't miss this opportunity to take it out on this year's chairmen and your golf professional.

I hope you noticed the Mesquite trip board that has been moving back and forth between locker rooms the past few weeks. It is advertising a Mesquite golf trip set for March 11 - 20, 2001. This year's event will certainly be exciting, with the new courses that have opened in Mesquite and the experience we now have with a few of the St. George courses. For further details, please contact Mike Gove or Bruce Conner.

FROM THE GREEN SUPERINTENDENT

During the coming month many of our efforts will focus on further improvement of golf course drainage. Our number one priority is to improve the drainage for #17 green. The old drain line has failed and will be replaced by several lines designed to remove water from both the green itself and the approach area in front of the green.

Drainage lines and catch basins will also be installed in #11 and #12 fairways over the next couple of months in order to remove surface water more quickly and improve fairway conditioning. Additional fairway drainage may also be done in conjunction with our fairway irrigation project later in the year.

We will soon be adding a permanent wooden sign at the #1 tee to post daily course conditions, cart usage rules and other information such as notice for frost delays. It will be located near the tee sign. The information will be updated daily in the morning to keep you informed.

John Whisler

PRO SHOP CREDIT BOOKS

Beginning this holiday season, your Pro Shop credit as of October 31st will need to be used by January 15th of next year. Any monies won after October 31st can carry over to the following golf season if you would like. The golf staff will print a list of credits as of October 31st and make it available in the locker rooms for your convenience.

Thank you!

GOLF CART MAINTENANCE

The Club is not responsible to provide maintenance or parts to a member who stores their cart on the premises. All carts stored on the premises have these services provided free of charge: Gas carts are filled with fuel once a week, on Monday. Oil reservoirs on 2-cycle carts are checked twice a year. Water in the batteries is checked once a week and the corrosion is removed when needed. ***Members who own 4-cycle carts are responsible for checking their own engine oil.***

All carts should be serviced either in Spring or Winter. All preventative maintenance specifically recommended by each cart manufacturer can be done yearly here at the Club. Please call Kurt Hanson at the Greens Shop, 861-2637, for details and prices. Contact the Pro Shop for wash and wax services.

As owner of a private cart it is your responsibility to confirm with your insurance agent or company that you have liability coverage under your homeowner's policy. In addition, please make sure that you are covered for physical damage on the cart. Most homeowner's insurance policies allow the insured to add a rider and schedule the golf cart for an additional premium. Again, you should contact your agent to see how to handle this exposure.
